

A Note from Our President

Parents:

I am excited about our discussion at our Booster Club meeting on the 13th!

Thank you to the parents who joined us!

I know many of you have nightly commitments and couldn't join us. I understand completely with myself juggling football, FFA and ROTC in the same evening! So please allow me to share some information with you! I hope you are excited too!

We discussed coming up with a new fundraiser idea - dinner/raffle/cadet demonstration all in the same evening! Mark your calendars for March 5, backup plan, February 28! We would like to invite family, friends, teachers, and neighbors to join us for a dinner with highlights of cadet demonstrations from the saber and rifle teams, as well as the drill down. I am sure you feel as we do that we don't have enough opportunities to see our cadets in action! This would be a great opportunity to showcase the cadets and invite friends and family to watch! In addition, we are hoping to obtain some big ticket items and have a raffle! All while enjoying a nice dinner! Our thoughts are to do this instead of a Silent Auction this year!

We want to try something different, make some money for our cadets and give them the opportunity to showcase their talents! Let me know if you have any thoughts! Be thinking of friends, neighbors and relatives who may be interested in donating items to this event! The more we can get donated, the better! We will be forming a committee for the food, the raffle, donations, decorations, etc. The cadets will run the show! Let me know if you have any ideas on how to make this night a success!
